Free Samples and Give-Aways**

- How to save money on electric and water bills through conservation and low-flow products on the market
- Ideas to “green” your yard; pick up samples of native plant seedlings
- Discover what happens to all of the items that are discarded with your garbage and which household and office items can be recycled
- Learn about Ecoart and see what the Afterschool youth have created
- Learn what The Links at Boynton Beach Golf Course (A National Audubon Society Certified Site) is doing to help the environment
- Convenient public transit options to save money and reduce vehicle miles traveled/vehicle emissions
- Boynton Beach’s Climate Action Plan - learn how Green House Gas Emissions (GHGE) will be reduced and what is being done at the Ezell Hester Jr. Community Center to reduce energy consumption and help kick off the City’s plans to become a sustainable community!

Arbor Day, April 28th, 9 a.m.

Kevin Hallahan, City Forester, will make a presentation to St. Marks 8th grade science class in Celebration of Arbor Day
Jaycee Park, 2600 S. Federal Highway
