

## Automated Permitting System User's Guide with Inspection Types/Codes

**City of Boynton Beach**  
Department of Development  
Building Division

### City of Boynton Beach Automated Telephone/Web System

### User's Guide

Welcome to the City of Boynton Beach Building services system. The automated program is available everyday and is accessible by web and phone.

**Inspection requests must be received prior to 5:00pm to be fulfilled the next business day.**

For your convenience, a list of inspection types with associated entry codes are listed on the back of this brochure.

*View permit status ♦ Schedule, reschedule, and cancel inspections ♦ Check inspection results ♦ View plan check status*

Permit #

PIN#

ID

### INSTRUCTIONS

*You will need the permit PIN from your Automated Inspection card to access the system.*

#### **By Phone**

Dial the automated phone line (561-742-6355). Follow the voice prompts.

#### **Online**

Go to [www.boynton-beach.org](http://www.boynton-beach.org). Click on "Online Services", then "Permitting Online". Enter the PIN for inspection options or the application/permit number for plan check options.

### Inspection Types/Codes

DESCRIPTION	CODE	DESCRIPTION	CODE
<i>BUILDING (B)</i>		<i>ENGINEERING (EN) – Cont.</i>	
Beam/column	1100	Lot grading	7250
Build final	1999	Paving final	7399
Ceiling grid	1780	Pipe backfill	7440
Driveway form	1040	Pipe layout	7400
Drywall screw	1760	Pollut. ctrl/silt screen	7100
Dumpster pad form	1060	Sub-grade/rock	7300
Fill cell	1110	Swale	7360
Floor truss	1600		
Foundation	1020	<i>FIRE (F)</i>	
Form	1030	Fire alarm final	9899
Framing/exterior	1300	Fire alarm test	9800
Framing/interior	1700	Fire early power	9900
Insulation	1740	Fire final	9999
Lath/stucco	1500	Fire gas final	9299
Parapet cap	1480	Fire gas rough	9200
Pool steel	1800	Fire gas underground	9100
Pool deck	1820	Fire generator final	9259
Roof deck	1420	Fire hood final	9599
Roof final	1490	Fire hood rough	9500
Roof framing	1410	Fire LP tank	9201
Roof in progress	1470	Fire pressure test	9302
Roof sheathing	1430	Fire pump final	9499
Roof tin tag/metal	1460	Fire pump test	9400
Roof truss	1400	Fire sprinkler final	9399
Sheath/strap/truss	1450	Fire smoke test	9700
Sidewalk form	1050	Fire sprinkler rgh intrnl	9301
Strap	1440	Fire sprink. rgh undgd	9300
Tilt wall panel	1200	Fire suppression final	9699
Trailer tie-down	1900	Fire suppression rough	9600
Wall sheathing	1340		
Window/door bucks	1720	<i>GAS (G)</i>	
		Gas final	5999
		Gas LP tank	5300
<i>ELECTRIC (E)</i>		Gas rough	5200
Early power	3900	Gas underground	5100
Elec. ceiling rough	3600		
Elec. final	3999	<i>LANDSCAPING (L)</i>	
Elec. slab	3300	Clearing/grubbing	8200
Elec. rough	3400	Landscape final	8999
Elec. wall rough	3500	Tree protection	8100
Footer bond	3100	Trees/shrubs	8300
Pool deck bond	3140		
Pool ladder/handrail bond	3150	<i>MECHANICAL (M)</i>	
Pool niche bond	3160	Smoke test	6400
Pool steel bond	3130	Mech. final	6999
Service change	3800	Mech. rough	6200
Temp pole	3700	Mech. underground	6100
Underground rough	3200		
<i>ENGINEERING (EN)</i>		<i>PLUMBING (P)</i>	
Asphalt layout	7340	Irrigation final	4899
Base	7320	Plumb. final	4999
Curbing (Grading)	7200	Plumb. rough/top-out	4400
Drainage cleaning	7480	Plumb rough/undrgrnd	4100
Drainage final	7999	Pool main drain	4300
Excavation Final	7099	Pool perimeter piping	4320
Fill in progress	7150	Pressure test	4500
Lake excavation	7420	Sewer	4200
Lamping	7460
