

Pavilion Reservation Policies

The City of Boynton Beach Recreation and Parks Department offers park pavilion rentals at specified parks. The reservation is for the pavilion area only; the park itself is open to the public.

Reservations are required at least four business days before your function, and may be made up to six months in advance. Unreserved pavilions are available on a first-come, first-served basis.

Pavilion reservation fees are collected to partially offset the cost of providing clean and attractive facilities.

Please note:

- We recommend visiting the park to make sure that the pavilion and surrounding amenities meet your needs.
- Planning to have a bounce house? Patrons must use one of the pre-approved companies who have provided the City a copy of their insurance and have obtained all of the necessary licenses to operate in the City through the Permitting Department. *See Special Information.* A list of companies is available. Please note that bounce houses are not permitted at Oceanfront Park.
- No alcohol, animals, rides, waterslides, pools, or fireworks of any kind are allowed in City parks.

Special Information:

The use of "bounce houses" and other inflatable play equipment is prohibited at City owned property unless the company operating the equipment has received prior approval from the City's Recreation and Parks Director or his designee, to operate such equipment. Any equipment installed on City property without prior approval shall be immediately deflated and/or disconnected by the authorized City representative.

Groups with more than 60 individuals are required to provide proof of liability insurance, which may be purchased through the City of Boynton Beach (30 days notice required).

Events with entertainers, food vendors/caterers and/or more than 150 people may require a special event permit and/or insurance.

Please contact the Planning and Zoning Division Special Events Permit Office at (561) 742-6260. Staff will evaluate your plans to determine if additional requirements apply.

The City of Boynton Beach reserves the right to require additional types of insurance, or to raise or lower the stated limits, based upon the identified risk of the event. All insurance companies names on Certificates must show a current A.M. Best Company rating of B+ or better.
