

## **STORMWATER IMPORTANT ANNOUNCEMENT**

On December 15, 2009 the City Commission approved a 25-cent surcharge on the stormwater fee for the purpose of providing enhanced stormwater services. Beginning this month, your bill reflects a stormwater increase of \$0.25 per Equivalent Residential Unit (ERU) for funding of the fresh water canal vegetation removal and control program within the City of Boynton Beach. This increase will last for a period of two (2) years.

At 1,937 square feet of impervious area per ERU, each 100 square feet of area would have an added fee of 1.29cents for Commercial and Industrial customers.

Please call Customer Service for questions regarding this increase at 561-742-6300, Monday to Thursday between 7:00 a.m. and 6:00 p.m.
