BRIEF EXPLANATION OF FUNDS

In accordance with generally accepted governmental accounting, auditing, and financial reporting principles, this document is organized by funds in the following manner

GENERAL FUND (001)

The General Fund is the primary operating fund of the City. The fund accounts for all financial transactions not accounted for in another fund. Revenue is derived primarily from property taxes, state and federal distributions and other intergovernmental revenue.

ENTERPRISE FUNDS

The enterprise funds report operations that provide services primarily to the public which are financed primarily by user charges, or activities where periodic measurement of net income is appropriate for capital maintenance, public policy, management control or other purposes.

Utilities Fund (401) - accounts for the construction, operation and maintenance of the Water and Sewer Department and the City's share of the Regional Wastewater Treatment Plant.

Solid Waste Fund (431) - accounts for the operation, maintenance, and replacement of the sanitation fleet and the supporting functions enabling the City to collect all refuse and trash on a regular basis.

Golf Course Fund (411) - accounts for the construction, operation and maintenance of the Municipal Golf Course.

INTERNAL SERVICE FUNDS

Internal service funds are established to finance and account for services and commodities furnished by a designated department of the City to other departments of the City. Boynton Beach operates three (4) internal service funds, Fleet Maintenance, Warehouse, Benefits and Risk Management.

Fleet Maintenance Fund (501) - accounts for the operation, maintenance and replacement of all motor vehicles and heavy equipment pieces within the City fleet. The funds charges individual departments for (a) operations and maintenance of the vehicles and equipment and (b) a prefunding charge (depreciation) to replace the vehicle at the end of its useful life.

Risk Management Fund (522) - accounts for all insurance for property, workers' compensation, general and automotive liability claims.

Benefits Fund (523) accounts for all expenses tied to the City's self-insured plan.

Materials & Distribution Fund (502) - accounts for the inventory and disbursement of supplies purchased in bulk. All departments are charged based on the relative cost of the supplies purchased.
