WATER HEATER CHANGE-OUT

The applicant is required to complete this form in order to receive a turn-around permit for an Exact Water Heater Change-Out.

_____ I affirm that either a representative of my company or I have inspected the existing conditions and there is no upgrade of the electrical system or service wiring changes required for the new unit(s) being installed. **I also affirm that there is an electrical disconnect within sight and the water heater is not cord-receptacle connected, meeting the requirements of 2011 NEC, Article 422 inclusive.**

An electrical sub-permit may be required for any additional electrical work. All work shall comply with the 2011 NEC.

Print legibly or type and fill out form completely.
